

HOMEMADE HAND SANITIZER

Ingredients:

- 7 drops Lavender Essential oil
- 25 drops Tea Tree Essential oil
- 3 oz rubbing alcohol
- 1 oz pure Aloe Vera Gel
- 1/4 tsp Vitamin E oil (optional)

Instructions

Add essential oils with optional vitamin E oil to a bowl. Swirl them around then add the rubbing alcohol and swirl again. Add Aloe vera gel and mix well. Pour into colored bottles and shake well. The Use a squirt when needed and rub well on your hands. Colored bottles protect essential oils from becoming denatured when exposed to light.
